Fresno County and 12 of the 15 cities in the county are preparing a Multi-Jurisdictional Housing Element with assistance from the Fresno Council of Governments (FCOG). The Multi-Jurisdictional Housing Element is intended to address countywide housing issues and needs more effectively at the regional and local levels. The Draft Multi-Jurisdictional Housing Element has been published, and will be presented to decision-makers from participating jurisdictions in June and July 2015.

On June 3, 2015, the City of Kerman will hold a study session to review the public review draft Multi-Jurisdictional Housing Element. At the study session, staff and the Housing Element Update consultant will present an overview of the draft Housing Element, facilitate a discussion with the Planning Commission and City Council and request input before submitting the document to the State Department of Housing and Community Development (HCD) for the State-mandated 60-day review for compliance with State law.
